

Mailinglists - Email address - Important Note

Your "user ID" for Sympa is your **email address** which must be identical to

- email address registered or
- email address in nethz database, if you have logged on via Shibboleth <---- Standard for ETH employees
-

The system cannot detect aliases: If you are logged on as "**robert.mueller@math.ethz.ch**", you will not be able to send any messages if your email program has "**mueller@math.ethz.ch**" or "**robert.mueller @ student.ethz.ch**" as the sender.

Update: Zurich, 01 December 2016
